Cue ball with red Aramith logo	Super Aramith Pro	Super Aramith Pro
Cue ball with red triangle	: does not exist anymore. Replaced by the red Aramith logo	
Cue ball with blue circle	Brunswick Centennial	Super Aramith Pro
Cue ball with blue Aramith logo	Aramith Premium	Aramith Premium
Cue ball with red circle	-	Super Aramith
Cue ball with black circle	-	Super Aramith
Cue ball with red dot	-	Aramith Premier
Cue ball with blue dot	-	Aramith Premier
Cue ball - no logo	Aramith Premier, Standard	Aramith Premier

In addition, the cue ball with black Aramith logo is used in the Stone collection set

Coin-op cue balls :

2 3/8'' cue ball : Aramith Premier resin
Aramith magnetic cue ball : Aramith Premier resin with a metallic insert
Aramith Tournament magnetic cue ball (with green Aramith logo) : Aramith Premier resin with an external metallic layer
Aramith Cougar (with both a green Aramith logo and a green Cougar logo) : same as Aramith Tournament magnetic cue ball with additional Cougar logo
Dynamo cue ball (with orange dot) : overweighed Aramith Premier resin
Universal cue ball (with green dot) : overweighed and magnetic Aramith Premier ball

All the regular and the coin-op cue balls, excepting the Dynamo, the Universal and the 2 3/8'' cue ball, have the same weight and dimension specifications.
