

# Basic Kick and Bank Shot Aiming Systems

[billiards.colostate.edu](http://billiards.colostate.edu)

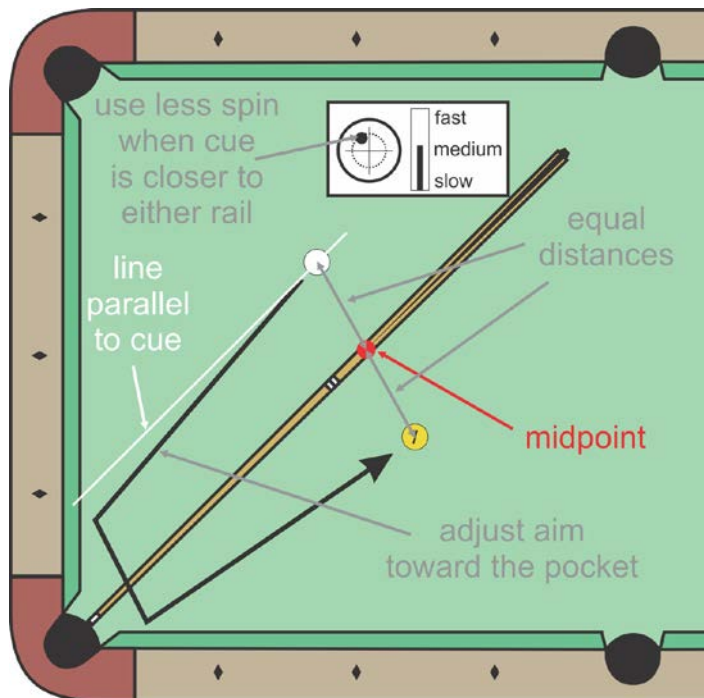

Through-diamond (“Easy” to visualize) rolling-ball (soft speed) 2-to-1 system:

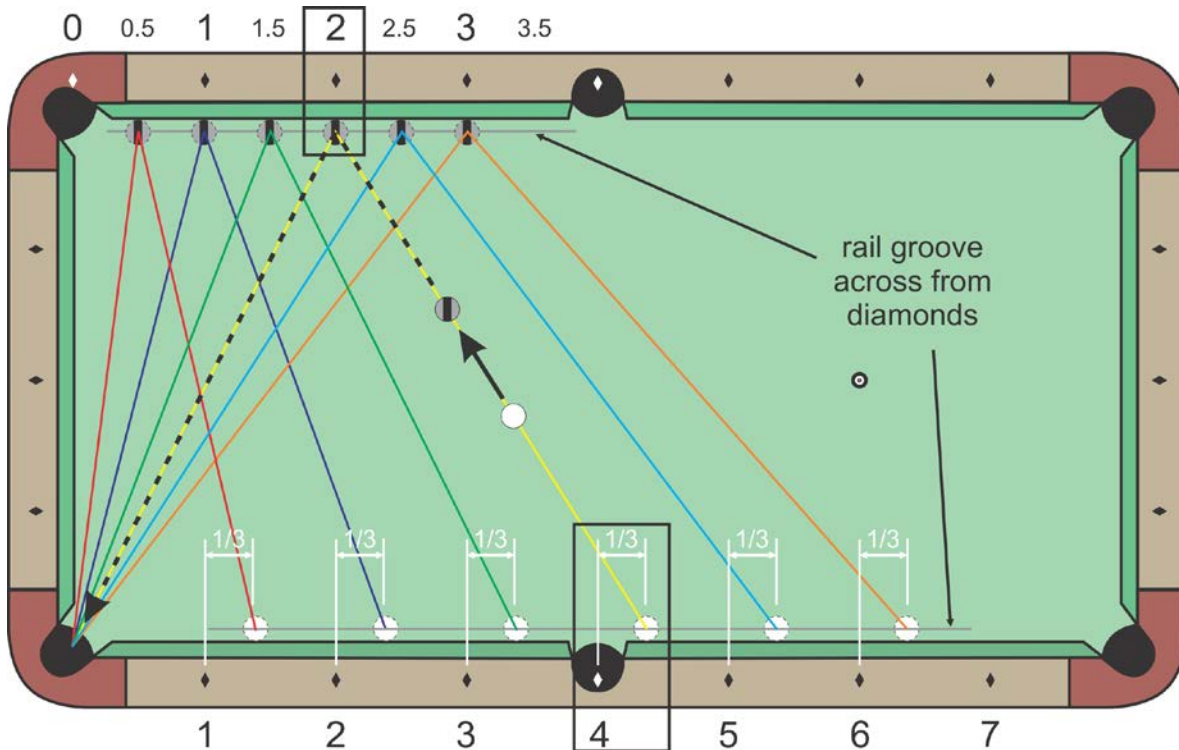

Through-diamond, rolling-ball (slow speed), equal-distance system:

**2-rail midpoint parallel-shift system:**

**Fast-speed (or OB-close-to-rail) 1/3-more-than-twice banking system, with everything measured “across from the diamonds” (“Hard” to visualize):**

For more information, see the [bank and kick shot aiming systems resource page](http://billiards.colostate.edu) in the FAQ section at [billiards.colostate.edu](http://billiards.colostate.edu)
